Young Bode Back Again.

H. Bode, formerly of Kealia, Kauai, a young man who has seen more of the world than a great many people of maturer years, is a bugler attached to Co. H of the Montana Volunteers. He is as bright and spry as usual and has already won his way into the hearts of the officers and men. Bode last occupied a position on the Islands as bell boy in the Hawaiian hotel. That was several months ago. He went from here to Skaguay intending to dig for gold, but this pursuit tired him and he drifted into Montana, where he joined the regiment.

EXPEDITIONARY.

Items from Camp in San Francisco About Troops—Change of Camping Ground.

The Wyoming "Alger" Light Artillery expects to be sent along with the First New York, for garrison duty at Honolulu.

It is said that Colonel Barber, First New York, only accepted the assignment of garrison duty for his regiment at Honolulu with the understanding that the ultimate destination of his command should be the Philippines.

First South Dakota Volunteers, Colonel Frost commanding, are coming in the Rio de Janeiro.

The Eighth California Regiment, Colonel Park Henshaw, may receive an agreeable surprise any hour this week, says the Call of the 19th. It is believed that Major General Merriam has indicated to the War Department that the Eighth would be an excellent regiment to send to Honolulu. The First New York has expressed such earnest desire for duty at the Philippines that the order assigning Colonel Barber to service at Honolulu may be revoked.

Colonel Barber is compelled to keep to his room at the University Club, San Francisco, through indisposition.

General Merriam has given orders for the speedy evacuation of Camp Merritt, the troops to be camped instead at the Presidio. This is on account of great complaints of unsanitary conditions at Camp Merritt, latterly supported on investigation by Col. Middleton, chief surgeon on General Merriam's staff.

The Government has decided to stand the expense of a Red Cross hospital ship for service between San Francisco and the Philip pines.

It is believed the First Volunteer Regiment of Washington State will be concentrated, intact, at San Francisco.

Red Cross Boxes.

The ladies of the Red Cross Society have placed contribution boxes in various stores and offices about the city. They hope in this way to secure a generous addition to their funds. There are many who do not care to see their names on subscription lists, who are quite willing to give according to their ability to help on a work like this which appeals to every one who has the least sympathy for suffering humanity. There are so many ways in which the Red Cross Society can be helpful that this good work should not be hampered by any lack of funds especially in a community so generous and kindly as this.

A Great Sufferer from General Debility and Weakness Says

DR. AYER'S SARSAPARILLA

SAVED HER LIFE.

We give below a testimonial from Mrs. M. Cranknell of Eglinton, So. Australia, who also sends us her portrait:

"Some two years ago I was suffering from general debility, weakness, etc., and was so ill that I thought I never should be well again. I had the advice of two medical men and took much medicine, but I derived no good whatever. My husband was telling a friend how very ill I was and this friend told him to get for me

Ayer's Sarsaparilla

He did so and I took three bottles. I felt a great deal better. I continued taking it and in all I took eight bottles and was able to resume my household duties as well as I ever was. I feel sure that Ayer's Sarsaparilla was the means of saving my life. I strongly recommend it to anyone who is suffering as I did and if they will only persevere in its use I feel positive it will cure them.

For constipation take Dr. Ayer's Pills. They promptly relieve and surely cure. Take them with Dr. Ayer's Sarsaparilla: one aids the other.
